

# YOUR SAFETY IS OUR PRIORITY!

In an effort to protect our Patients, Visitors, Staff, and Physicians, the following screening and precautions will be implemented:

## **GUIDELINES FOR VISITORS**

- No visitors under 18 years of age (unless the patient's condition is deteriorating to end of life).
- No visitors are allowed after 8 pm.
- Only one visitor per patient is allowed at any time.
- Confirmed or rule out COVID-19 patients – NO visitation permitted.
- Visitors' Body Temperature will be taken. Temperature of 99.6F or greater will be restricted from visiting).

## **GUIDELINES FOR GEMCH & GEMCH CONTRACTED EMPLOYEES**

- Body Temperature (99.6 F or greater will be restricted from entry).
- Signs or symptoms of a respiratory infection, cough, shortness of breath, or sore throat.
- In the last 14 days, has had contact with someone with a confirmed diagnosis of COVID-19, or under investigation for COVID-19, or are currently ill with respiratory illness.
- International travel within the last 14 days to countries under Level 3 Travel Health Notice shall self-quarantine for 14-days. Individuals must report such travel to Employee Health via telephone for appropriate clearance.
- Any travel outside Level 2 Travel Health Notice locations shall include self-monitoring for 14 days. If symptomatic, the individual shall refrain from hospital activities until resolution of symptoms.
- If you have been on any cruise ship in the last 14 days, you will need to self-quarantine for 14 days.

Thank you for your cooperation on this important matter.
